

# Welcome to Magenta's Class Assembly!

There are lots of positive things  
about using technology!

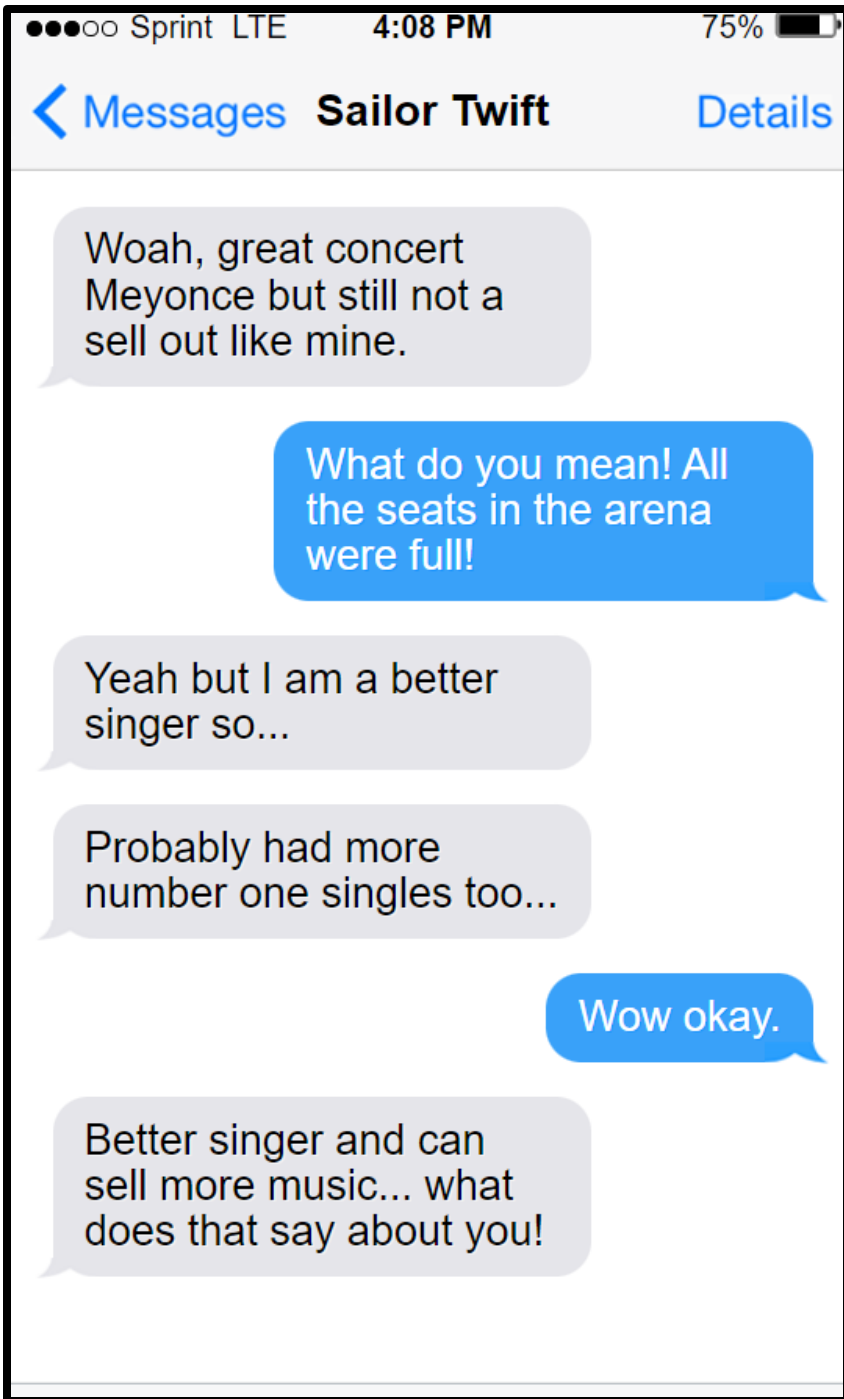

There are also some negatives to using the internet and technology.

Fake news

Can't believe the trainers you had on today...

What was wrong with my trainers? I liked them!

You're just not cool and you never will be. You will never fit in with us.

I thought we were friends?

Hah! You got that wrong, who would want to be friends with you.

What kind of hair style was that today?

What do you mean?

Surely you know what I mean.

Your hair was such a mess! I can't believe you even showed your face.

You can't sit with us tomorrow. You are embarrassing!

That's a really unkind thing to say. How would you like it if I said that to you?

# S

## Stay Safe

Don't give out your personal information to people / places you don't know.

# M

## Don't Meet Up

Meeting someone you have only been in touch with online can be dangerous. Always check with an adult you trust.

# A

## Accepting Files

Accepting emails, files, pictures or texts from people you don't know can cause problems.

# R

## Reliable?

Check information before you believe it. Is the person or website telling the truth?

# T

## Tell Someone

Tell an adult if someone or something makes you feel worried or uncomfortable.

Follow these SMART tips to keep yourself safe online!
