Absent:	Year 5 Indigo Violet M Year 6 Fuchsia Harris F
Welcome:	All children introduced themselves and explained why they would like to be a part of the school council.
Aims:	The following aims were discussed for 2026/2027- • Make sure every voice matters – We will listen carefully to the ideas, opinions and preferences of children across our school and make sure everyone has the opportunity to share their voice. • Speak confidently and respectfully – We will develop our speaking and listening skills by sharing ideas clearly, giving reasons for our opinions and listening respectfully to different points of view. • Make everyone feel welcome and included – We will help create a school where everyone feels valued, respected and included, celebrating differences and making sure everyone has a chance to take part. • Turn pupil ideas into action – We will listen to what children think could be improved and work with staff to find positive solutions to problems around school. • Be positive role models – We will show kindness, resilience, respect and responsibility and encourage others to make positive choices, especially when things are challenging.

	• Help make our school a better place – We will take responsibility for helping to improve our school environment, supporting school initiatives and encouraging others to care for our school and community. • Encourage everyone to be proud of their learning – We will encourage children to take pride in their work, try their best, celebrate their achievements and share ideas about how we can make learning even better at RPS. • Create opportunities for everyone – We will help organise events, activities and opportunities that allow children to share their talents, interests and ideas both inside and outside the classroom.
Harvest Festival Arrangements:	The children discussed what items parents could donate to the Harvest Festival. - Beans - Canned food - Sweetcorn - Soup - Fruit - Hotdogs - Tuna - Tinned fruit
Actions:	- School council to create a poster to share with parents via Class Dojo and to display around school. - Miss Forsyth to arrange with Mr Baker a visit to the Washington Food Bank. - School Council to set up donations in the hall ready for Harvest festival celebrations.
Plan of Action:	The school council decided that they would like to meet every other Monday during assembly
Next Meeting:	Food bank visit (12 th October)
