

What a wonderful start to the new academic year we have had! A special welcome to those pupils and families who are new to Rickleton. The children have all enjoyed settling into their new classes and engaging in lots of fantastic learning, trips and activities. Already we have been delighted to welcome parents into school for various assemblies, family events and parents' evenings. The next half term is going to be just as action packed! Wishing you all a lovely half term.

TT Rockstars

We encourage KS2 children to continue to login to TT Rockstars to help improve their rapid multiplication skills and have fun doing so!

Barclays

Barclays currently match fund any charitable donations raised by employees. If you work for Barclays, and are interested in helping school raise money, please contact the school office.

Lost Property

We have a huge amount of lost property. Please ensure that all items are named. If you think your child has lost something, please contact the office. Unclaimed items will be disposed of after half term.

Attendance

Attendance and punctuality are so important for a child during their time in school. We do not authorise any term time holidays due to the impact they have. The attendance below is since the start of term.

Y1 Staffing

Mrs Croydon is going on maternity leave after half term. In her absence we are delighted to welcome back Miss Holland who will be teaching in Y1! She is thrilled to be returning to Rickleton!

The Eco Council then took part in a workshop about 'The Three R's' (Reduce, Recycle and Reuse) where they created some fantastic planters using plastic bottles and recycled materials.

EYFS MacMillan Event

In EYFS, we decorated our own bunting, gingerbread people and paper cakes. We invited our adults into school to raise money for the charity Macmillan. We talked about this being a charity and that we were helping others. We loved shared cakes and juice with our grown-ups and we had lots of fun! Together, we raised £250.51 to support Macmillan Cancer Support- such a fantastic cause!

Hello Yellow Day

To celebrate World Mental Health day the school dressed in yellow to symbolise this. In EYFS, we recapped our learning about different emotions, thinking about what might make us feel that way. We then discussed how we could improve our mental health and then we practised some breathing activities to help us feel 'Yellow' and 'Happy'. As part of our day, we took part in some yoga, a yoga story and some mindfulness colouring linking this to the '5 Ways to Wellbeing'.
